Look for These Symbols Inside

Find exactly what you need using these symbols to help make your catalog browsing quicker and easier than ever before.

ANTIMICROBIAL
Infection control is nothing to sneeze at! Look for products made with antimicrobial materials.

LATEX FREE
Unless clearly noted otherwise, all products in this catalog are latex free, or, by definition, not made with natural rubber latex.

EXCLUSIVE
You won't find these MarketLab-originals anywhere else!

NEW
You'll find hundreds of new unique and hard-to-find products throughout the catalog.

This catalog reflects Spring 2022 pricing in Canadian dollars. Pricing conditional upon marketplace change. PPE products are subject to availability and are nonreturnable. For most current pricing and our complete terms of sale, please call 1.888.420.1902 or email custserv@southmedic.com.

Flexible Biohazard Shield Now in a Wall-Mountable Design

- Wall-mounted design saves valuable benchtop space
- 20.7" gooseneck is easy to move for precise positioning and reaches virtually anywhere
- 12"W x 8.5"H shield protects users while providing a clear field of vision
- Handles on the shield for ease of adjustment
- Rugged, scratch-resistant polycarbonate shield protects against splashes, aerosol mist, and flying debris
- Helps meet compliance with OSHA bloodborne pathogen regulations (29 CFR Part 191, 1030)

ITEM	DESCRIPTION	UOM	$
ML60818	Wall Mount Gooseneck Biohazard Shield • 12"W x 4"D x 21"H	1ea	$365.35

Versatile, Dust-Free Storage

Create a custom supply station with bin units that stack on countertops or mount on walls. Each bin moves independently, has an integrated handle, and tips out to a wide 45° angle. Dust-free storage reduces contaminants and soil buildup.

- Durable for years of use
- Easy access improves workflow
- Bins are removable for easy cleaning and refilling
- All units are predrilled for mounting to wall
- All units are pre-drilled for mounting to wall

- Weighted tabletop stand
- 10 sleeves
- 5 heavy-duty index tabs

Protect Frequently Referenced Documents

Replace all those awkward, cumbersome binders with a single, expandable document display system. Start with a wall-mount or tabletop unit, and add expansion units as needed.

- Document display system keeps frequently referenced documents at your fingertips
- Sturdy, reinforced sleeves with nonglare finish extend document life
- Great tool for LEAN standardization

Commonly Used in Dialysis, ER, Isolation Rooms, and Central Sterile

Face Shield with 3D Curved Design for Comprehensive Protection

If your head has a curve so should your face shield, right? Right! The BetterShield Full Face Shield is a contoured face shield that provides upper-, middle-, and lower-face protection, comfortably. Vents allow hot air to escape. The elastic headband provides a fit so secure, even reaching your arm across won't knock it loose.

- Innovative design protects entire face, including sides and bottom
- Distortion-free optics
- Fits easily over glasses and N95 masks
- Ultra-compact stackability won't take up a lot of space

Superior Protection Where You Need It Most

With waterborne illnesses costing the healthcare system up to $539 million annually, it's important to take every precaution possible when protecting patients and healthcare professionals. MarketLab's comprehensive line of splash guards are ideal for placement near sinks or wherever additional waterborne-pathogen protection is needed. Made from transparent acrylic, the splash guards have sturdy 4.5" wide bases and lightweight, portable designs that make them easy to move between rooms or throughout facilities.

- Transparent acrylic
- 4.5" wide bases

Enhanced Go-Cart Meets Your Blood-Draw Needs

The modular Draw Cart you love is better than ever with new infection-control-friendly features and rugged construction that stands up to constant use. The Cart's five-point, reinforced cast-aluminum base is outfitted with industry-recognized casters that operate smoothly on any surface and make the cart perfect for everyday use. A spacious textured work surface has a routed handle that cleans easily and won't trap fluids or bacteria, while height adjustment is foot operated
to reduce the spread of germs.

- Four 5" rugged casters (two locking) operate smoothly on any surface
- Textured marine-board surface provides ample space for supplies, trays, and patient records
- Foot-operated height adjustment

The Most Economical Mobile Phlebotomy Cart, Hands Down

- Lightweight FlexyCart weighs roughly 30lb and has a maximum load capacity of 50lb
- Narrow cart width allows FlexyCart to easily navigate through virtually any doorway and through crowded hallways
- Uniquely designed "X" frame distributes pushing force evenly through cart for easy maneuverability
- Wire baskets can be easily removed and transferred between FlexyCarts and storage-room areas
- Accessory selection clears basket space by mounting some frequently used items outside the cart

Carry More for Less with the Insight® Phlebotomy Cart

EXCLUSIVE

An Economical Mobile Draw Cart

These economy carts provide a large working surface for writing, preparing for blood draws, or placing a blood draw tray. Under the work surface, the cart comes with either one or two sliding drawers providing additional storage for supplies. Store and secure draw supplies as well as specimens inside with a lockable door on soft close hinges.

- Store supplies in locking drawers (11"W x 16.5"L x 3.5"H)
- ClintonClean™ one-piece, solid plastic top is sealed with no seamed edges to reduce infection risks
- Integrated easy-grip handle
- Pneumatic height adjustment
- Stable five-leg aluminum base with end bumpers for added safety
- Smooth rolling, ball bearing casters

ITEM	DESCRIPTION	UOM	$

With a deep, accurate understanding of the world of phlebotomy carts — it's appropriate this cart carries the Insight® brand. Insight® carts are the result of customer collaboration to provide intuitive organization, ease of movement, and a generous work surface. Insight® carts continue to meet the needs of our customers through value engineering. They are a customer favorite thanks to their modular rail system, ample storage capacity, and easy maneuverability.

- Maximum storage variety and capacity
- Industry-recognized casters for quality and durability
- Modular rail system allows users to customize the cart with essential add-ons

Fixed Height Work Tables

The Mobile Instrument Table gives you extra bench space without major cost and renovation. Stable enough for heavy instrumentation, it can still be easily moved throughout the lab as needed. The stainless steel top option is especially appropriate for staining areas or where cleanability is a must. To order, simply choose your work surface and table height. All frames are beige. Tops are either laminate with T-mold edging or stainless steel.

ITEM	DESCRIPTION	UOM	$
	35"H Laminate Top Table		
ML9024	30"W x 48"L x 35"H	1ea	$1746.50
