

# MDI Adaptor for Dosage Counters

Southmedic inline MDI Adaptors ensure safe and complete delivery of prescribed aerosol medication

- Compatible with plastic and metal canister stems
- Can be used with, or without dose counter
- Ready to use
- For single patient use
- Includes built in tether strap
- Not made with natural rubber latex and DEHP/Phthalates
- Available in four standard sizes
- 25 per case

Southmedic MDI Adaptors remain inline, allowing for continuous care and a decreased need to manipulate the circuit which may help reduce the opportunity for cross-contamination
