

MDI Adaptor for Dosage Counters

Southmedic inline MDI Adaptors ensure safe and complete delivery of prescribed aerosol medication

- Compatible with plastic and metal canister stems
- Can be used with, or without dose counter
- Ready to use
- For single patient use
- Includes built in tether strap
- Not made with natural latex and DEHP/Phthalates
- Available in four standard sizes
- 25 per case

Southmedic MDI adaptors remain inline:

- Improves patient safety; reduced opportunity for cross-contamination
- Improves patient comfort; reduced manipulation of circuit
- Improves compliance of prescribed medication due to reduced interruptions of care
